USIM students who are not ready for school during the shuttle hours need to call for commercial taxi to take them to the university at their own conveniency and liable for the transportation charges/expenses, this is also applicable to any student who need transportation service from the campus/university dorms to the major cities.

In case of official tours like excursions and visitations to Malaysian environment, the university also provides transportation facilities for the students to have hitched-free transportation experience where university shuttles offers on board movies, music and fun ride with peers.
